Sygillis of Metatron

Ren Garcia

For ages League mothers have told their children terrifying stories about the Black Hats: the enemy, eager to slay anyone who falls into their grasp, always searching for their next victim.

Only the League's ruling body, the Sisterhood of Light, has been able to counter their evil. When a Black Hat is taken prisoner aboard Captain Davage's ship, the Sisters have every intention of executing her, to put her to a slow, painful death. That is what's done to Black Hats. And no one dares challenge the Sister's authority.

They are astounded when the Captain refuses to allow it.

Using his Gift of Sight, Captain Davage, the Lord of the Great House of Blanchefort, has gotten a glimpse of the Black Hat's face, and is shocked. Though no one but a Sister would ever willingly face a Black Hat and hope to survive, he enters her cell.

The woman sitting there bears an exact resemblance to a beloved friend of the Captain's—a friend who is dead, murdered, lost in space along with her ship and her crew.

There she sits, Captain Davage's friend, apparently reborn as a Black Hat murderess, identical in every way except for the Black Hat's mark on her face.

The Black Hat known as Sygillis of Metatron, vile and evil, immediately plots Captain Davage's killing and, though the Sisters are near, none can protect him from her fury. She will come for his soul.

The Hazards of the Old Ones

Ren Garcia

Life ends, new life is born. Everything balances.

When Carahil, an Elemental Spirit, witnesses the destruction of an entire world, he's faced with the ultimate question: how far is he willing to go to save it?

Carahil will gather friends-like Lord and Countess Blanchefort, renowned Fleet Captain and ex-Black Hat, to help. He'll destroy lives, like that of Captain Davage's best friend and first officer, Lt. Kilos, who is made to quit her job aboard the *Seeker* and go into the dreaded Hazards of the Old Ones: a place where only she can stand. Carahil will also search out disreputable sources like the scalawag Duke of Olyn, who has something malicious and wailing locked away in his dungeon.

To make matters worse, hidden forces threaten to destroy everyone Carahil needs to help him. Ominous messages appear from nowhere, surprise visits, phantom people and taunting voices complicate matters.

However, the most dangerous threat to this mission could be Carahil himself, who faces demonic transformation for getting involved and may upset the cosmic Scales of the Universe in a bad way. Carahil, though struggling to achieve a greater good, might be the cause of a horrific tragedy instead.

Hell awaits should he fail.

Thief King

James O. Barnes

Transport yourself back in time.
View history from another world
and explore the kingdom of Orenck.

After years of neglect from its cruel and unstable king, the kingdom of Orenck is on the verge of collapse. Conspirators from within plot the king's overthrow while neighboring countries prepare to invade. In the midst of this turmoil petty thief, Shankla, is mistaken for the king. Can he escape assassination, save his country from invasion, and solve the mystery that fate has written in his own image?
